

Prayer before Logging on to the Internet

Fr. John Zuhlsdorf

St. Isidore of Seville (c. 560-636) worked tirelessly to remove the Arian heresy from Spain. Later he became a hermit, and still later an illustrious bishop. St. Isidore's two brothers (Leander and Fulgentius) and his sister (Florentina) are also saints. St. Isidore is considered to be the patron of the Internet, hence this prayer for his intercession.

Almighty and eternal God, who has created us in Thine image and bade us to seek after all that is good, true and beautiful, especially in the divine person of Thy only-begotten Son, Our Lord Jesus Christ, grant, we beseech Thee, that through the intercession of Saint Isidore, bishop and doctor, during our journeys through the Internet we will direct our hands and eyes only to that which is pleasing to Thee and treat with charity and patience all those souls whom we encounter. Through Christ our Lord. Amen.
