

# Gathering the scattered...

**"God chose the sign of blood because no other sign suggests a person's total involvement so eloquently."- Pope St JPII**

**"Jesus Christ feeds us each day with the teachings of the Gospel and the sacraments of the Church. His flesh and blood in the Sacrament of the Altar is our daily food.**

**He gathered us in His arms,  
spread out wide on the cross, as John says,  
'to gather together the children of God  
who were scattered.'"**

***St. Anthony of Padua***
