

A living smile...

truthhimself.blogspot.com/2018/04/a-living-smile.html

**"A soul united to Jesus is a living smile
that radiates Him and gives Him."**

St Elizabeth of the Trinity (*Letters from Carmel*)

"He gives Himself to thee, not merely to look upon,
but even to touch, to eat, and to receive within..."

Consider at Whose table thou eatest.

For we are fed with that which the angels view with
trepidation and which they cannot contemplate
without fear because of its splendor.

**We become one with Him;
we become one body and one flesh with Christ."**

St John Chrysostom
