

What union compares?...

truthhimself.blogspot.com/2018/08/what-union-compares.html

**"Our present time and the future of the world
are illuminated by Christ's Eucharistic presence and
are desperate for His action." - Bl James Alberione (+1971)**

**"Jesus is present and lives in our midst
*in the Eucharist.***

Let us **listen** to Him for He is truth.

Let us **look** at Him, for He is the face of the Father.

Let us **love** Him, for He is love giving Himself to His creatures.

He comes to our soul
so that it may disappear in Him and become divine.
What union, however great, can compare to this?
