

Understanding the work...

**"The Eucharist is supremely effective
for the transformation of the world into a world of
justice, holiness, and peace." - Bl. Pope Paul VI**

**"Since we began this adoration
of the Blessed Sacrament,
we have not reduced our work;
we devote just as much time to it as before,
but with more understanding.**

People accept us better. They are hungry for God.
They have need, no longer of us, but of Jesus."

St Mother Teresa of Calcutta
