**"The Mass is very long and tiresome unless  
you love God." - GK Chesterton**

"The **goods of the soul** are an end;  
the **goods of the body** are for an end.  
**Hence** concerning temporal goods  
we ought to seek according to a measure,  
*but* concerning the goods of the soul  
we ought to seek as much as we can."  
*St Thomas Aquinas*

Painting: "Celebrando la Santa Misa" ~ Girolano Romani

"Let us be greedy for graces." - Fr Joseph Johnson
