truthhimself.blogspot.com/2018/01/unspeakable-heights.html

**“He who climbs never stops going from beginning to beginning,
through beginnings that have no end.
He never stops desiring what he already knows.” -St. Gregory of Nissa**

**"Ah, Holy Communion!
Unspeakable heights
for a human spirit to reach!
What does the world have
that equals these pure, heavenly joys,
these tastes of eternal glory?"**

Bl Contardo Ferrini (+1902)
