to the Eucharist and to Jesus Crucified.
At 4 am she could be seen kneeling outside
the chapel in the snow waiting for it to open.**

**She attended three Masses daily and always managed
two hours in preparation for Holy Communion
and two hours in thanksgiving; and she

"I am not my own; I have given myself to Jesus .

He must be my only love. The state of helpless poverty that may befall me if I do not marry does not frighten me. All I need is a little food and a few pieces of clothing.

With the work of my hands I shall always earn what is necessary and what is left over I'll give to my relatives and to the poor. If I should become sick and unable to work, then I

shall be like the Lord on the cross.

He will have mercy on me and help me, I am sure."
