...He has granted to us His precious and very great promises ...  
that through these... you may...  
become partakers of the divine nature. - II Peter 1:4 a,c

**"What is in the chalice** is the same as what flowed from  
the side of Christ, and of this we are made partakers...  
... What the Lord did not tolerate on the cross (the breaking of the limbs),  
He tolerates now in the sacrifice, for the love of you;  
He lets Himself be broken into pieces, so that He may fill all men...  
... The wise men adored this body when it lay in the manger;...

they prostrated themselves before it in fear and trembling. ...  
Now you behold the same body that the wise men adored in the manger,  
lying upon the altar; ... you also know its power and salutary effect. ...

**... Already, in the present life, this mystery  
changes the earth for you into heaven. ...**

The most sublime thing that is there, the body of the Lord, ... you  
can behold here on earth . ... And you not only behold it,  
but you touch it and consume it."

*Saint John Chrysostom*
