

Jesus is passing by...

truthhimself.blogspot.com/2017/03/jesus-is-passing-by.html

**"Dry bones and limp lives can come alive
by giving God permission to make us
what He wants us to be." - Fr. George Rutler**

**"We entreat you not to offer God's grace
an ineffectual welcome (II Cor 6:1).**

Yes, God's grace can fill us this Lent,
provided we **do not close the doors of our heart.**
We must be well-disposed, we must really want to
change; we cannot play with God's grace. ...

**We cannot regard this Lent
as just another liturgical season**
which has simply happened to come around again.
It is a unique time: a divine aid which we should accept.

Jesus is passing by and He hopes that we will
take a great step forward — today, now."

St Josemaria Escriva

Christ is Passing By, 59
