... and I no longer live, but Christ lives in me. - Galatians 2:20b

"It is a fire whose heat will warm and cheer those around you. They will breathe the Eucharistic presence.

The sweetness which you will draw from your Communion will have its effect on your conduct, and you will so attract all hearts, first to yourself, and then to Him Whom you carry in your breast.

Have faith in the influence of the presence of the Lord."
