

O Blood of Jesus ... irrigate the Church...

"We must never forget that the Church is built around Christ and that, as Saint Augustine, Saint Thomas Aquinas and **Saint Albert the Great** have all said, following Saint Paul (cf. 1 Corinthians 10:17), the Eucharist **is the sacrament of the Church's unity**, because we all form one single body of which the Lord is the head."

Benedict XVI, 49th Intern'l Eucharistic Congress, Quebec City, 6/22/08

THROUGH THE HOLY SPIRIT

HE OFFERED HIMSELF WITHOUT BLEMISH TO GOD
TO THE ONE WHO LOVED US
WHO WASHED OUR SINS THROUGH HIS BLOOD
AND MADE US KINGS AND PRIESTS OF GOD HIS FATHER
TO HIM BE GLORY AND POWER. AMEN

"I adore You, O Precious Blood of Jesus , flower of creation, fruit of virginity, ineffable instrument of the Holy Spirit, and I rejoice at the thought that You came from the drop of virginal blood on which eternal Love impressed its movement; You were assumed by the Word and deified in His person. I am overcome with emotion when I think of Your passing from the Blessed Virgin's heart into the heart of the Word, and, being vivified by the breath of the Divinity, becoming adorable because You became the Blood of God.

I adore You enclosed in the veins of Jesus, preserved in His humanity like the manna in the golden urn, the memorial of the eternal Redemption which He accomplished during the days of His earthly life. I adore You, Blood of the new, eternal Testament, flowing from the veins of Jesus in Gethsemane, from the flesh torn by scourges in the Praetorium, from His pierced hands and feet and from His opened side on Golgotha. I adore You in the Sacraments, in the Eucharist, where I know You are substantially present....

I place my trust in You, O adorable Blood, our Redemption, our regeneration. Fall, drop by drop, into the hearts that have wandered from You and soften their hardness.

O adorable Blood of Jesus, wash our stains, save us from the anger of the avenging angel. Irrigate the Church; make her fruitful with Apostles and miracle-workers, enrich her with souls that are holy, pure and radiant with divine beauty." - *Meditations on the Precious Blood of Jesus from writings of St Albert*

FEAST DAY - November 15

It has been said that **St. Albert** was a scientist by temperament, a philosopher by deliberate choice and a theologian by mood.

“My soul, if you wish to be intimate with Mary, let yourself be carried between her arms and nourished with her blood...

Let this ineffable, chaste thought accompany you to the Banquet of God and you will find in the Blood of the Son the nourishment of the Mother.” ~ St Albert
