

When we know how to find Him...

truthhimself.blogspot.com/2012/11/when-we-know-how-to-find-him.html

**"How happy we are when
we live in intimacy with God,
when we make of our life a heart-to-heart relationship,
an exchange of love with the divine Master,
when we know how to find Him
in the innermost depths of our soul.**

**Then we are no longer alone, and we need solitude
to enjoy the presence of the adored Host."**

Bl. Elizabeth of the Trinity
