**...where then is my hope? Who will see my hope? - Job 17:15**

**"Do not be afraid**  
to give reasons for the hope that dwells in you,  
a hope that has a concrete name:  
**Jesus Christ!**  
**This hope must be transmitted**  
**to your contemporaries,**  
helping them to seek,  
offering them authentic friendship and acceptance,  
leading them to discover the great gift of the Eucharist."
