Padre Pio Prayer for Healing

Prayer for healing and the intercession of St. Padre Pio

Heavenly Father,

You are the source of all life, mercy, and healing. I come before You with faith and place myself entirely in Your loving hands.

You know me more completely than I know myself. You see every weakness of my body, every burden upon my mind, every wound within my heart, and every need of my soul. Nothing is hidden from You.

Father, look with compassion upon me in my suffering. If it is according to Your holy will, grant me healing and restore what has been weakened, injured, or afflicted. Pour Your grace into every part of my life that needs Your healing touch.

Lord Jesus Christ, Divine Physician, You walked among the sick and suffering. You welcomed those who came to You in faith, comforted the sorrowful, strengthened the weak, forgave sinners, and brought hope to those who had nearly lost it.

Jesus, I trust in You.

Touch my body with Your healing grace. Give wisdom to the doctors, nurses, caregivers, and all those who assist me. Guide the decisions that must be made. Bless the treatments and medicines that are given for my good,

and protect me from discouragement when healing seems slow or uncertain.

Bring healing also to my mind and heart.

Where there is fear, give me trust.

Where there is anxiety, give me peace.

Where there is discouragement, give me hope.

Where there is loneliness, remind me of Your presence.

Where there is anger or bitterness, give me the grace to forgive.

Where suffering has weakened my faith, draw me more closely to Your Sacred Heart.

Help me never to believe that I suffer alone.

Jesus, unite my suffering to Your Cross. When I cannot understand why this trial has been permitted, give me the grace to remain close to You. When I am weak, be my strength. When I am afraid, be my courage. When I grow weary, carry me.

Holy Spirit, fill me with Your presence. Renew within me the gifts of faith, hope, and charity. Bring peace to the deepest places of my soul and help me surrender everything to the will of God.

Blessed Virgin Mary, Mother of Jesus and Mother of the Church, remain close to me in this time of need. As you stood faithfully beneath the Cross of your Son, stand beside me in my suffering and lead me always to Jesus.

And you, St. Padre Pio of Pietrelcina, faithful son of St. Francis and devoted priest of Jesus Christ, I ask for your intercession.

You knew physical suffering. You bore the wounds of Christ and offered your sufferings to God. You spent countless hours reconciling souls to God in the Sacrament of Confession, celebrating the Holy Eucharist, counseling those in distress, and praying for the sick and afflicted.

Padre Pio, pray for me.

Present my petition before Jesus:

Padre Pio Prayer for Healing

(Here mention the person or healing for which you are praying.)

Ask Our Lord to grant healing if it is His holy will. Pray that my body may be strengthened, my mind consoled, my heart renewed, and my soul drawn ever more deeply into friendship with God.

Intercede also for my family and for those who care for me. Give them patience when they are tired, consolation when they are worried, wisdom when difficult decisions must be made, and confidence in God's providence.

St. Padre Pio, help me to imitate your trust in God when suffering is difficult to understand. Teach me to pray when prayer seems hard. Help me to remain close to the Holy Eucharist, to seek God's mercy in Confession, and to place my whole life in the hands of Jesus.

Above all, pray that I may desire not only the healing of my body but the healing and salvation of my soul.

May every trial lead me closer to Christ. May every grace make me more grateful. May every moment of suffering offered to God become an act of love.

Father, I place this prayer before You not because I am worthy, but because You are merciful.

I ask for the grace of healing. Yet I also ask for something greater: the grace to trust You completely, whatever answer You give.

May Your will be done in me.

Through Jesus Christ our Lord.

Amen.
