

Prayer for My Husband

An original prayer, with the St. Joseph Memorare from The Knights' Prayer Book.

A Wife's Prayer for Her Husband

Heavenly Father, I place my husband in your loving care. Thank you for his life, for the good you have planted in him, and for the love we share. You know him more deeply than I do. Receive the concerns I can name and those he carries quietly.

Draw him close to your Son. Strengthen his faith when he doubts, lift him when he is discouraged, and give him courage to turn away from sin. Help him know that he can come to you with an honest heart.

Bless his work and every responsibility entrusted to him. Give him wisdom in difficult decisions, integrity when he is tested, and peace when his efforts seem unnoticed. In unemployment, disappointment, or financial worry, sustain his hope and remind him that his worth is greater than what he earns.

Protect him in his journeys and daily work. Care for his body and mind, comfort him in illness, and grant him the rest he needs. Be near him in fears he finds difficult to express.

Teach me to love him with patience, respect, and tenderness. Forgive the ways I have failed in love. Guard us both from bitterness and unfaithfulness, and deepen the love we promised to one another.

Through the intercession of St. Joseph, keep my husband close to Jesus. Lead us together toward the life you desire for us, and help us love you in every season of our marriage. Through Christ our Lord. Amen.

St. Joseph Memorare

Remember, O most chaste spouse of the Virgin Mary, that never was it known that anyone who implored thy help and sought thine intercession was left unaided. Full of confidence in thy power I fly unto thee, my spiritual father, and beg your protection. O foster father of my Redeemer, despise not my petitions, but in thy goodness, hear and answer me. Amen.
