

Prayer to the Divine Child Jesus

From The Knights' Prayer Book.

O Divine Child Jesus! I come before You, moved by love and by hope; and I beg You to look mercifully into my troubled heart. Let Your own tender Love, always inclined to compassion, mitigate my troubles and alleviate my sufferings. Take from me, if it be Your Will, all unbearable afflictions; and let me never surrender to despair. Grant me, dear Child Jesus, the special grace I ask from You today in all humility and with a loving trust; and for the sake of Your Sacred Childhood, always hear my prayers.

Through Your Holy Mother Mary, I consecrate myself to Your Sacred Heart. I am all Yours. My body is Yours, for You created it. My soul is Yours, for You redeemed it with the price of Your Precious Blood. I proclaim You as my Lord, my Savior, my King, and my true Friend. I adore You as my God and my Sovereign.

O Divine Child Jesus, give me Your love and send me Your blessing, now and for all eternity. Be generous with Your aid and consolation, that through Mary, our Mother, I may always praise You, and the Father, and the Holy Spirit, God forever and ever. Amen.
